Lisle's Scenic Community Park Perfect for Weddings

The beautiful Lisle Community Park is the ideal, picturesque and affordable location for your wedding. Lisle Park District's North and South Shelters offer gorgeous waterside views in an elegantly manicured setting. The VanKampen Island Stage and Community Band Shell are also available for your event upon request. Shelter rental is only \$85 for Lisle Park District residents and \$165 for nonresidents. Special permitting fees and extra equipment are the responsibility of the renter.

Lisle Park District shelters can easily accommodate large and small parties, each shelter has electricity available, and the North and South Shelters feature attached restroom facilities.

The versatility of the park provides the perfect backdrop for breathtaking wedding photos. From late April through May, the park features fragrant apple blossoms surrounding Community Park pond and the charming stone bridge. From late June through September, the native wildflowers in the natural prairielands are in full bloom and several romantic waterside areas boast striking rock formations.

Shelters are available to rent on Saturdays and Sundays between Memorial Day and Labor Day weekend unless previously scheduled for park district or community functions. The week of July Fourth will not be available due to the Eyes to the Skies festival. Throughout the remainder of year, shelters are available at no cost on a first come, first served basis.

If you have any questions or would like to have your wedding in Community Park, please feel free to call Mike at 630-353-4306; he will be happy to assist you.
