Wheatstack and West Suburban Community Pantry's "Cart From the Heart"

Lisle, IL – During the month of August, Wheatstack - A Midwestern Eatery & Tap of Lisle partnered with West Suburban Community Pantry of Woodridge to raise public awareness with the "Cart From the Heart." Jim Renn, member of the West Suburban Community Pantry Board of Directors and Lisle Savings Bank, saw an opportunity in Wheatstack's popular courtesy cart service. On busy nights at Wheatstack, such as Movie Mondays, Friday Night Fish Frys, and Comedy Night, volunteers from West Suburban Community Pantry assumed the duties of Wheatstack's courtesy cart driver, shuttling patrons to and from their cars and the restaurant entrance. While on the short ride the "Cart from the Heart" created awareness of the 1,300 low income students in school districts 68 and 202 that benefit through donations to the pantry, and the 3,000 people in DuPage County that come to the pantry monthly. Nearly \$300 in donations were generously donated over the nine evenings volunteers drove the "Cart From the Heart." "We look forward to teaming up with West Suburban Community Pantry again and hope the community is more aware of the many opportunities to support the pantry," said Todd Shamberg, General Manager at Wheatstack.
