Lisle, IL – On Saturday, October 27, from 4-7pm, The Museums at Lisle Station Park will host an exclusive 21+ evening of games, food, and beer tasting, featuring a brew made with hops harvested from the museum's garden and crafted by Alter Brewing Company in Downers Grove.

Spend a fall evening getting into the spirit of All Hallow's Eve by exploring Lisle's earliest settlement under the cover of a moonlit sky while testing your logic and luck at Games & Grub. Wear your Halloween costume, and join The Museums at Lisle Station Park at 921 School Street in Lisle for a frightfully fun and unique game night. Games from the museum's artifacts collection, like *Game of Lisle* and *Mystic Tray*, will be located in different buildings across the museum campus, encouraging guests to wander the grounds and halls of the historic tavern, farmhouse, and depot at night. Follow The Museums at Lisle Station Park on [Facebook](#) and @LisleMuseum on [Instagram](#) and [Twitter](#) leading up to the event for a sneak peek at other classic and mysterious games that will be featured at Games & Grub.

Grab a pint and pull up a chair in the tavern where food and drinks will be available all evening. A brewmaster from Alter Brewing Company will be on-site offering samples of their new Next Stop Wet-Hop IPA made with hops harvested from the museum's own Four-Square Garden. Wheatstack will provide other alcoholic refreshments and nonalcoholic drinks, as well as delicious local 'grub' from their dining menu.

Food, nonalcoholic drinks, and two drink tickets to be used at the bar are included with registration. In addition, a cash bar will be open throughout the evening. Guests will also receive a free, commemorative glass to honor the debut of The Museums at Lisle Station Park's collaboration with Alter Brewing Company. Reserve a seat at the table by Saturday, October 20, to ensure a taste of the limited edition museum brew, as space is limited. Cost is \$35 per person or \$60 per couple. Visit lisleparkdistrict.org/museumsatlislestationpark-events or call 630-964-3410 to register. Proceeds from Games & Grub will support the museum's mission to preserve and interpret Lisle's dynamic history.
